Emergency Towing Checklist

Prep Guide for Perth Motorists. Save, print or download this PDF to your phone or glove box for instant access.

Pre-Emergency Prep

Step #1. Gather Documents & Contacts

- Driver's licence, vehicle registration & insurance
- Emergency contacts (family, workplace, South City Towing – 0492 013 846)
- Roadside assistance membership & policy details

Step #2. Pack Your Safety Gear

- High-visibility vest or reflective tape
- Warning triangles or cones
- Flashlight or torch
- First-aid kit (bandages, antiseptic wipes, gloves)
- Sunscreen & bottled water
- Hat & sunglasses

Step #3. Perform Pre-Trip Vehicle Checks

- Tyre pressure & tread (incl. spare)
- Oil & coolant levels
- Battery health & terminal condition
- All lights, indicators & hazard flashers
- Windscreen wipers & washer fluid

During Emergency Steps

Step #4. Secure Your Scene

1. Pull over safely to the shoulder or breakdown lane.
2. Turn on hazard lights immediately.
3. Wear your high-vis vest before exiting the car.
4. Place warning triangles 20 m and 50 m behind your vehicle.
5. Keep passengers clear of traffic; behind barriers if possible.

Step #5. Document Vehicle Condition

- Photograph all four sides of your car + odometer reading.
- Note any dents, scratches or fluid leaks on paper or voice-note.
- Save images to your phone and back them up to the cloud.

Step #6. Tick Off Your Checklist

- Ensure your phone is charged.
- Turn on location services (GPS) for accurate positioning.
- Review Steps 1–5 and tick each item off your tow checklist.

Step #7. Contact South City Towing

- Call **0492 013 846** or [Book towing service online](#).
- Provide your exact GPS pin or nearby landmark.
- Describe your vehicle (make, model, colour) and issue (flat tyre, engine stall, etc.).
- Mention any special requirements (low-clearance, heavy load, EV).
- Stay on the line for dispatcher instructions until help arrives.

After the Tow: What to Expect

- **Unloading & Handover:** Sign delivery form, confirm vehicle condition.
- **Repair Coordination:** Choose your mechanic or use our recommended local workshops.
- **Storage Options:** We can securely store your vehicle if repairs are delayed.
- **Feedback:** Rate our 24/7 professional towing service—your review helps other Perth drivers.
